## AUTO 10

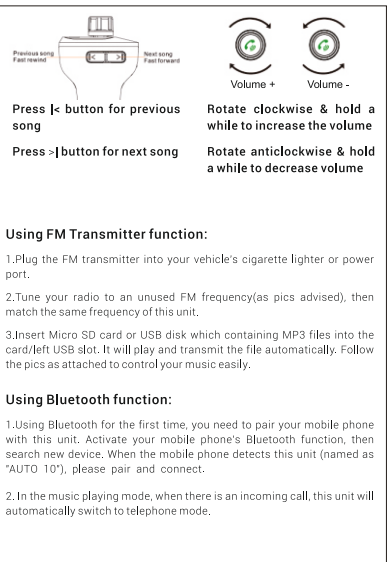

**SMART AUDIO CONNECTOR + 3.4A CAR CHARGER**

**Introduction**

Thanks for choosing our AUTO 10. This device releases stream music and calls directly from your Bluetooth device to your car FM stereo system. The built-in microphone provides you with an amazing hands free function, it is also with a Micro SD card/USB Disk slot that lets you enjoy favorite MP3/WMA/WAV/FLAC by your car's stereo system. The dual USB ports support to charge with total output 3.4A. By the way, the bass button make you enjoy the Bass Music. Please read the User Manual carefully before using. Hope this device make your driving more interesting and safe.

**Product Features:**

1. Wirelessly Connect Your Smartphone To Your Car Stereo - take handsfree phone calls & stream music
2. The Device Transmits FM signals to connect to your Car Stereo FM Receiver. It also Receives Bluetooth Signals from your Smartphone. This way your phone is wirelessly connected with your car stereo through this device
3. Built-in Microphone with Noise Cancellation to minimize cabin noise in phone calls
4. Auto Switch to Hands-free phone call mode from Music Mode on incoming call
5. One-Touch Bass Increase button
6. Comes with Dual USB outputs 5V/3.4A, to Charge Your smartphones, powerbanks, etc
7. You can play music from PenDrive on one USB port and from MicroSD Card Slot

**Bluetooth calling**

1. Please press to answer the incoming call.
2. Please press to disconnect a call.
3. Press twice to dial the last Number automatically.
4. When making a call, you can only dial the phone number by your mobile phone, but once the call connected, you can use the hands-free function to enjoy it.

Note: If you are listening to a FM channel eg 98.3 on your stereo and your Auto 10 is connected with your phone on a different FM frequency, eg 100 MHz, you will not be able to use it as handsfree until you change your FM station to same frequency as on Auto 10 (eg 100Mhz in this case) to take the phone call.

**Using USB charger function:**

Connect the USB Charger port (two ports both ok) to your mobile phone, with a USB cable (not included) when this product powered from car lighter socket.

The product will serve as mobile phone charger.

Please note: the maximum output of right USB is 2.4A, maximum output of left USB is 1A Read MP3/WMA files in USB disk by left USB.

**Bass Music:**

When listening the music by SD/USB/ or mobile phone.

Press the button "" to enjoy the bass music, Press again to get back the original audio.
