Bluetooth Connectivity

Step 1 : Press the Multifunction button on your headset for 3 seconds to power On.

Step 2 : Locate the Bluetooth settings on your audio device, and Turn On Bluetooth.

Step 3 : Search for 'Harmonics Z3' among the available devices, and select. Then Tap 'Pair'.

Step 4 : Once paired, the voice command will announce 'Connected'. You can then start playing your favourite music.

Connecting to Two devices at once

The Harmonics Z3 lets you connect to two devices at the same time. Read on to know How:

Step 1 : Using the same process mentioned above, Pair your headset to the Second device.

Step 2 : Once paired, repeat the process with the First device, too. The already connected device will not be disconnected.

Step 3 : Both devices will now be connected to the headset. You can start playing your audio from either device, at your convenience.

Charging your Headset

Step 1 : Locate the charging port on the headset.

Step 2 : Use the provided Type -C Cable and connect it to an adaptor. We advise using original Portronics chargers.

LED Indicators :

Red : The headset is charging.

Blue : The headset is fully charged.
