Compact design for awesome looks.

MRP: 299

- ✓ **Sturdy Design** : With a sleek design and solid ABS Plastic build, MoDesk 101 is your safest smartphone wall holder, and a rest area for your phone. Strong 3M adhesive on the back ensures maximum support. Environment-friendly, heat-resistant, and comes with built-in non-slip pads for phone stability.
- ✓ **Easy Wall Mount** : Easily assembled and installable phone holder, designed to suit all smooth-surface walls such as ceramic wall, glass wall, lime wall, and wallpapers. Easily placeable on office walls, bedside wall, restaurants, bathrooms, and out of reach of children.
- ✓ **Universal Compatibility** : MoDesk 101 wall phone holder is compatible with almost every smartphone, and even some mini tablet devices, upto 14mm thickness. This includes iPhones, almost all Android phones, and mini tablets. Convenient for charging devices directly from a wall without the need of a desk.
- ✓ **Multi-functional** : Phone holder not only provides a rest area for the phone, but also gives easy access to wall charging points. Easily watch movies, videos, and content on the screen, enabling multi-tasking.
