

PORTRONICS

# TOAD III

Wireless Optical Mouse

User Manual

## Package Contents

- 1 x Toad III
- 1 x Type-C Charging Cable
- 1 x USB Receiver
- 1 x User Manual

## Powering On

Slide the button towards "ON", which is indicated as LED flashes green colour for 1 second.

## 1. Connection

The wireless mouse comes with dual connectivity modes. Read the following for more info:-

### 2.4 GHz with USB Nano Dongle

1. Just plug the USB nano dongle into your Laptop/PC.
2. Tap the mouse button to use.
3. If the connection is unsuccessful, it might be due to the mouse entering protection mode and it shuts automatically. Please charge the mouse for 2-3 hours and follow the previous steps.

### Bluetooth 5.3

1. Power ON the mouse (follow Powering ON) press the pairing button at the bottom and the LED indicator flicks blue light will flicker for 1 second and turn off.
2. Long Press the red button for 2-3 seconds until the LED indicator flickers with blue light continuously.
3. The mouse is in pairing mode. In Bluetooth search find "Toad III" and connect to start using.

There are two ways to connect to PC/Laptop via bluetooth:-

#### Method 1:

Find the  logo on the taskbar if the  icon is not present on the taskbar, please check the second method.

1.  icon on the bottom right corner of your computer, press the right key, and click "Add a Bluetooth device".
2. When the mouse is in pairing mode (follow Bluetooth) on the computer, select "Toad III" from the list of devices. After a few seconds, the mouse is ready to use.

#### Method 2:

1. Open "My Computer" >> "Control Panel"
2. Open "Hardware and Sound" further >> "Devices and Printers"
3. After clicking to add "device", wait for more than ten seconds, select the "Toad III" device, click "next" and wait for a few seconds, the mouse can be used normally after the progress is completed.

**Note :** Most of the Windows 7 systems do not support Bluetooth mode. The mouse can only be used in 2.4G wireless receiver mode on those systems.

## Pairing with Apple device via Bluetooth:

Settings>Accessibility>Touch Assistive>Touch>Device>Bluetooth Device>Toad III-Enter PIN (4X Number "0" for PIN)

#### Attention:

- 1) Press any button to activate the mouse from sleep.
- 2) Avoid using the mouse on the mirror, glass or other reflecting surface
- 3) Protect the mouse from extreme heat, cold and physical damage.

**NOTE:** Any damage caused by physical impact, Water/Liquid, fire etc caused by customer or nature shall not be covered under warranty. Only product design, feature and functionality related faults will be considered.

This mouse will come under non-repairable category.
